

The **Institute of Real Estate Management (IREM)** was founded in 1933 in order to establish a reliable, objective system of identifying quality property managers. Today IREM is the nation's source of education and professional recognition for managers of all types of income-producing properties. IREM is the only professional association comprised strictly of property management professionals.

Certified Property Manager (CPM) members manage over **\$877 billion worth** of the nation's real estate assets. They manage approximately **9.6 million** residential units and **7.6 billion net square feet** of commercial space. Most members manage mixed portfolios. They manage various types of properties including apartments, condominiums, office buildings, shopping centers, mobile home parts, federally assisted housing and industrial parks. With more than **200 members**.

The **Friends of IREM** program is designed to foster professional relationships between our Real Estate members and a mix of locally represented, reputable service vendors. With the Friends of IREM program, our chapter can provide you with a multitude of benefits and opportunities, as listed on the following pages.

Once your company becomes an IREM Chapter 15 member, all your company employees will be considered Friends of IREM Chapter 15 members.
