Rosanne M. Saitta
IREM Kansas City Chapter #15
PO Box 18068
Kansas City, MO 64133

Dear Ms. Saitta,

Thank you and the members of IREM Chapter #15 so much for your generous support of Heartland Habitat for Humanity. With your contribution, we are able to help more families open the door to homeownership and ensure that more neighborhoods reap the benefits of belonging to stable and caring communities.

Heartland Habitat is gearing up for a busy winter. We are currently deconstructing homes in Olathe, and we recently found out that we have been chosen to deconstruct the soon-to-be-renovated Arrowhead Stadium private suites as well! The deconstruction will provide salvageable goods that can be sold in our ReStore, helping our families by generating additional funds to build homes and helping our environment by diverting those items from local landfills.

The best thing happening this winter is for our families: home blessing ceremonies. We recently held three home blessings on Yecker Avenue in Kansas City, Kansas, and soon we will be hosting one more. Bessie and Andres Gonzalez, future Habitat homeowners, and their five young children are so excited to finally call Yecker Avenue home. We are excited for them too, and so thankful to you for helping make it happen.

We are blessed and fortunate to be among the organizations your members have chosen to support. Your dedication to our mission enables even more families who reside in our local communities become independent homeowners. On behalf of the many men, women and children who benefit, thank you very, very much.

In appreciation of your service,

Sarah McMillian
Development Coordinator

CC Brad Ashley

Please note that Heartland Habitat for Humanity has not provided any goods or services for your donation of \$500.00 received 12/11/2008, and it is fully tax deductible to the extent of applicable laws.
